Cllr Pearman informed all present that no practice fire evacuation had been scheduled for the duration of the meeting. All attendees were then informed of the locations of the nearest fire exits.

Cllr Pearman welcomed Mr Beveridge, Head of School, The Dean Academy, to the meeting. Mr Beveridge proceeded to provide Members with an overview of the work which had been undertaken at the school to date, together with the relationship between The Dean Academy and The Athelstan Academy Trust. Mr Beveridge outlined the clear priorities which had been set for The Dean Academy which included key performance indicators. Noting that in the 2015 Ofsted report one of the improvement actions was to improve student behaviour and require them to take responsibility for their actions, Mr Beveridge advised that he had personally attended all assemblies and that the teaching staff were aware of the need to ensure that students appreciated that there were consequences to their actions. Members were informed that the recruitment and retention of teachers was a priority for the school and that a Graduate Recruitment Programme had been instigated which had resulted in the appointment of two new teachers. Mr Beveridge spoke passionately on the desire to raise the aspirations of students regarding their future career paths and he stressed the need for the community to get behind the school. Finally, Mr Beveridge voiced an intention to organise an event on 6 July 2017 to celebrate the achievements of the students to which he extended an invitation to all Councillors to attend.

Cllr Pugh spoke on the need for greater promotion within schools to be given to the benefits gained through apprenticeships. Mr Beveridge advised that a system of tutoring was currently being introduced through the school which focused greater attention on careers advice, with a dedicated advisor being brought in for Year 11.

Cllr Preest questioned if efforts had been made to improve relations with feeder schools. Mr Beveridge voiced his intention to meet with all Primary School Head Teachers and advised that a member of staff had been allocated responsibility for the transition from primary to secondary school.

Cllr Biddle queried the type of support the school wished to gain from the community. Mr Beveridge voiced a desire to forge links with businesses and local organisations who were willing to show pupils the opportunities which could be afforded to them. Mr Beveridge also expressed a desire to forge links with local sporting clubs in order to create greater enthusiasm for participating in extracurricular activities at the school.

Mr Beveridge excused himself from the meeting at 7.18 pm.

1. APOLOGIES

Apologies for absence were received and noted from Cllrs Berryman and Street.

2. **DECLARATIONS OF INTEREST**

Cllrs Preest and Harris - Agenda item 14 - District Councillors Report

3. MINUTES OF PREVIOUS MEETING

Approval of the minutes of the Town Council meeting held on 11 July 2016 was proposed by Cllr Ives, seconded by Cllr Harris. Vote carried.

Cllr Pearman advised Members that Agenda Item 5 – Youth Forum and a matter of correspondence relating to Mr A Lewis would be considered before Item 4 – Police Matters, however the minutes reflect the order as shown on the agenda.

4. **POLICE MATTERS**

Members were provided with a copy of the report which had been received from the Police.

Cllr Ives expressed disappointment that apologies for non-attendance at the meeting had been received from the Police earlier in the afternoon. Cllr Ives then expressed astonishment that three rapes had been recorded in the July/August figures.

5. **YOUTH FORUM**

Cllr Pearman welcomed Ms Henderson, Principal, Primrose Hill C of E Academy, together with four of her pupils to the meeting.

It was noted that since the last meeting the school had elected a new school council and Members were delighted to welcome representatives of the new school council to the meeting. Referencing their attendance at the July meeting School Council members advised that they had undertaken a survey on the use of Primrose Hill Meend, the key points of which were:

- Improvement of the play equipment (provision of a zip wire, football equipment and a trampoline scoring highly)
- Provision of an activity trail
- Favourite items on site were the roundabout, the slide and the swings
- Majority of those surveyed supported the provision of a larger picnic area and the enclosure of the football pitch by fencing

Mrs Henson reported that pupils were currently involved in the production of a pothole map which they hoped to present to the Council at its November meeting. Mrs Henson also advised that pupils had expressed a desire for a celebration day to be organised to mark the achievement of Andy Lewis, GB's gold medal winning Para Triathlete; it was noted that the matter would be discussed later in the meeting.

Members were advised that pupils had worked hard on designing "Anti Dog Fouling" posters and the CEO was provided with said posters.

Cllr Pearman expressed his appreciation for the efforts of the school and for their attendance at the meeting.

ps.

FULL COUNCIL MEETING - 2016/09/12 - 39

Nothing to report due to Cllr Berryman's absence.

8. CEO'S REPORT

A copy of the CEOs report had been circulated to Councillors prior to the meeting, the contents of which were duly noted (Appendix A). A report was then given on the following matters:-

- Ms Carolyn Whittington had commenced her position as Finance Assistant.
- Members noted that the Council had raised the issue of non-delivery of newsletters with The Forest Review's distributor and had been informed that a refund would be applied for any "non-delivered" areas. Members were advised copies of the newsletter were available via other means (both electronically and hard copy); the only alternative delivery arrangement would be via Royal Mail at substantially higher cost. Noted.

Health & Safety

Members were provided with a copy of the quarterly Summary of Accidents. Noted.

9. FINANCIAL MATTERS

RBS Accounting Software

Members noted the decision which had been taken by the Personnel Committee to abort the use of RBS Accounting Software, as it did not fulfil the Council's financial management needs.

10. THE TACK

Members were informed that slow progress was being made due to the requirement for Lydney Park Estate to approve the final navigational signage.

11. CYCLE PATH

Lydney Revolutions

Cllr Pearman advised that representatives were attending meetings with Gloucestershire County Council and the project was progressing.

Parkend to Lydney Cycle Partnership Stakeholder Board

Officer Support

Members were asked to consider the Lydney Cycle Partnership Stakeholder Board suggestion that a contribution would be required from all participating parties in order to cover administrative support for the project. Members were informed that West Dean Parish Council had agreed to provide a contribution of £4,165.54 in respect of the 2016-2017 Financial Year, and £8,331.08 in respect of the 2017-2018 Financial Year for the position. It was also noted that Forest of Dean District Council had agreed to provide a contribution of £5,000 towards Officer support for the project, this sum would be earmarked and used to pay for any additional administrative hours.

Members were provided with an overview of the preferred route which had been identified by the Board and were reminded that the project would only progress if funding for Officer support was forthcoming from the participating organisations. Cllr Pearman drew Members' attention to the view of the Personnel Committee that any contribution agreed by Lydney Town Council was on the basis that it would be deemed to be the "employing body" for the Officer for the duration of the project (two year fixed term contract). Noted.

It was **proposed by Cllr Pugh, seconded by Cllr Greenwood,** that Lydney Town Council would contribute £4,165.54 from General Reserves in respect of Officer support for the 2016/2017 Financial Year on the basis that Lydney Town Council was deemed to be the "employing body". Unanimous.

2017-2018 Budget

It was **proposed by Cllr Pugh, seconded by Cllr Harris,** that Lydney Town Council would include £8,332.00 in its 2017-2018 budget in respect of its funding portion for Officer support, on the basis that Lydney Town Council was deemed to be the "employing body". Unanimous.

Provision for 2017-2018 Financial Year

As the employing body, Members considered the need to ensure that sufficient financial provision had been allocated in the Council's accounts to address the scenario should the 2017-2018 funding not be forthcoming from West Dean Parish Council. After a short discussion it was **proposed by Cllr Harris**, **seconded by Cllr Greenwood**, that £8,500 would also be "earmarked" from General Reserves in respect of Officer support for the 2017/2018 to address the scenario should the 2017-2018 funding not be forthcoming from West Dean Parish Council. Vote carried.

It was noted that the Officer assigned to the project would be required to submit funding applications to support the project.

Furthermore, that through the Lydney Coastal Community Team discussion was now taking place regarding a Heritage Zone application which was likely to be afforded a greater degree of success. During discussion it was noted that Mrs Wendy Jackson, Forest of Dean District Council, was in the process of submitting an "Expression of Interest" regarding the Heritage Zone application; it was stressed that there was no financial commitment required of Lydney Town Council at this stage; should the project proceed beyond the initial "Expression of Interest" then the Town Council would be asked to consider any financial implications prior to proceeding further. As a result of the discussion at the July Full Council meeting Members were provided with a copy of the press statement which had been drafted following the June Full Council meeting but not issued at the time. Members were provided with an opportunity to read the proposed statement which had been approved by the Mayor/Deputy Mayor. During discussion concern was expressed that District Councillors were not communicating their activities to either the Town Council or its electorate. Further amendments were suggested to the press statement and it was **proposed by Cllr Pearman** that the amended statement (shown in its entirety below) would be forwarded to the local press as that of a "corporate" submission. Vote carried.

Council Musings

"Often Lydney Town Council faces criticism from its Lydney District Ward Members despite its continual attempt each month to actively engage all six of its District Councillors.

As a parish council we often wonder how often members of our electorate, the very people who elected these individuals to represent them, actually stop and give consideration as to a councillors individual meeting attendance rating or indeed their level of input in respect to local issues of importance.

A quick review by any interested party of Lydney Town Council minutes/Trust Meetings which have taken place since the last Ordinary Elections, some 18 months ago, clearly show that out of Lydney's six District Councillors only two District Ward Members, Cllrs Harris and Preest attend on a monthly basis, in fact closer inspection will reveal a resounding fat zero attendance rating in respect to District Councillors/Ward Members; Bevan, Evans and

FULL COUNCIL MEETING - 2016/09/12 - 52

Osborne, one only has to review the District Authority's Meeting Minutes to see how often any one of these members has interjected/represented Lydney residents. So before you believe any of the political ramblings banded about in the press you may wish to research the statistics and give due consideration to the 'local' town council representatives who serve you on a purely voluntary basis for Lydney Town Council, a proactive council, is an authority not afraid to test boundaries and reach for new horizons".
