Prior to the meeting Members were provided with copies of the advice note from the Society of Local Council Clerks and the CPALC Guidance Sheet relating to Standards and Code of Conduct for Parish and Town Councils, together with copies of the Council's Code of Conduct, Standing Orders and Complaints Procedure which had been tailored in line with the Finance and Scrutiny Committee's recommendations.

During discussion it was noted that whilst Forest of Dean District Council's Monitoring Officer was responsible for investigating any breach in standards the Principal Authority had no authority over a Parish and Town Council to impose any sanction or like and that the proposed revisions to Lydney Town Council's Code of Conduct would allow the Town Council itself to place sanctions on any Member who was found to have breached the Code. Furthermore, it was noted that it would be the responsibility of the Finance and Scrutiny Committee to consider any sanctions which may be imposed as a result of a confirmed breach of the Code (e.g. removal from a Committee). (Note: the Code of Conduct is not applicable to employees; complaints concerning any employee instead dealt with under the Council's Complaints Procedure).

The CEO advised that minutes of the latest meeting would shortly be posted on Lydney Town Council's website and Cllr Preest expressed his thanks to Cllr Ives for his assistance regarding the resolution of an issue concerning gully clearance.

## **Multi-use Track Stakeholder Meeting**

The CEO reported that initially West Dean Parish Council (WDPC) had advised the Stakeholder Group to complete and return a grant application form in respect of funding for the project as it would receive a favourable response. It had then been informed that WDPC would hold £5,000.00 in respect of the project in their accounts and it would allow the Stakeholder Group access to said funding in parts, however, a cheque had since been received from WDPC for £5,000.00 but the Town Council had been instructed to hold the cheque until further notice. Members were reminded that a separate bank account and financial records were operated for the project that Lydney Town Council was the "Accountable Body" in respect of the project and that it could not operate and balance and display the accounts correctly unless all such monies were held by the one body.

It was **proposed by Cllr Pearman** that the Chairman of the Town Council's Finance and Scrutiny Committee would discuss the issue with WDPC and, depending on the outcome of the discussion, the Council's/Stakeholder's concerns would be placed in writing. **Seconded by Cllr Berryman.** Unanimous.
